  - (c) ☒ A reply was received on 8/10/05 but it does not constitute a proper reply, or a bona fide attempt at a proper reply, to the non-final rejection. See 37 CFR 1.85(a) and 1.111. (See explanation in box 7 below).
  - (d) ☐ No reply has been received.
2. ☐ Applicant's failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance (PTOL-85).

Attachment to PTOL 1432: Notice of Abandonment

Applicant's response dated 8/10/04 to the outstanding office action of 10/1/04 with corrected application number was not filed timely, since the six-month statutory time expired had expired on 4/1/04.

The application was therefore constructively abandoned.

The response filed on 4/1/04 with three-month extension fee had the wrong application number on it, which may have resulted in that response being filed in the application with the corresponding application number. The failure to give the correct application number creates difficulty in matching incoming papers with the application file to which they pertain. This applies especially to amendments, powers of attorney, changes of address, status letters, petitions for extension of time, and other petitions. Please see MPEP 502.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krishnan S. Menon whose telephone number is 571-272-1143. The examiner can normally be reached on 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wanda L. Walker can be reached on 571-272-1151. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
